FLORAL TRIBUTES

Burgeon will help you to create the most fitting floral tribute for your loved one.

There can be no greater sight than fresh flowers offered as a tribute to your love one at their funeral, personal tributes can say more than words when chosen carefully. Wreaths, funeral sprays and name tributes require special attention as they are prepared freshly. With an extensive array of flowers, colours and designs Burgeon can make your tribute as personal and as special as possible.

This brochure is a small guide to showing and helping you decide on the tribute best suited to your loved one with further assistance from our team your needs will be fully met.

Our team of florists at Burgeon Floral Design will personally hand deliver your flowers prior to the funeral.

The sizes stated in this brochure are approximate and flowers may be subject to change or seasonal availability. Every effort is made to ensure that the floral tributes are supplied in first-class condition. Colours in this brochure are as accurate as the print process will allow.
